Friday, February 12, 2021

Dear Grand Saline Parents and Community,

Students will not be in school Monday as it is a previously scheduled teacher work day. Next week's forecast has made us alter plans for your students starting Tuesday. All students will have school remotely on Tuesday and Wednesday. If the forecast holds true, Thursday and Friday will be at home learning as well. We will keep you updated on Thursday and Friday plans through the district website, the district Facebook page, remind calls from your campus and several media outlets.

Please be careful during this dangerous time. If you know of someone who needs life sustaining help, reach out to us so we may get them resources they need. Thank you for allowing GSISD to be a part of your child's education. Be safe and stay warm.

Micah Lewis

Superintendent
